

REGISTERING DEVICES

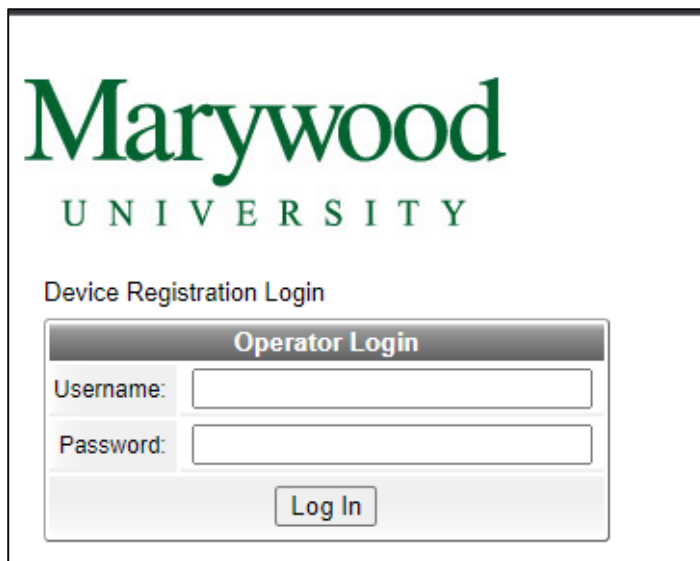

OVERVIEW

Marywood ClearPass is a portal to register your personal device. This will provide a unique password for the device that you are connecting.

ACCESSING MARYWOOD CLEARPASS

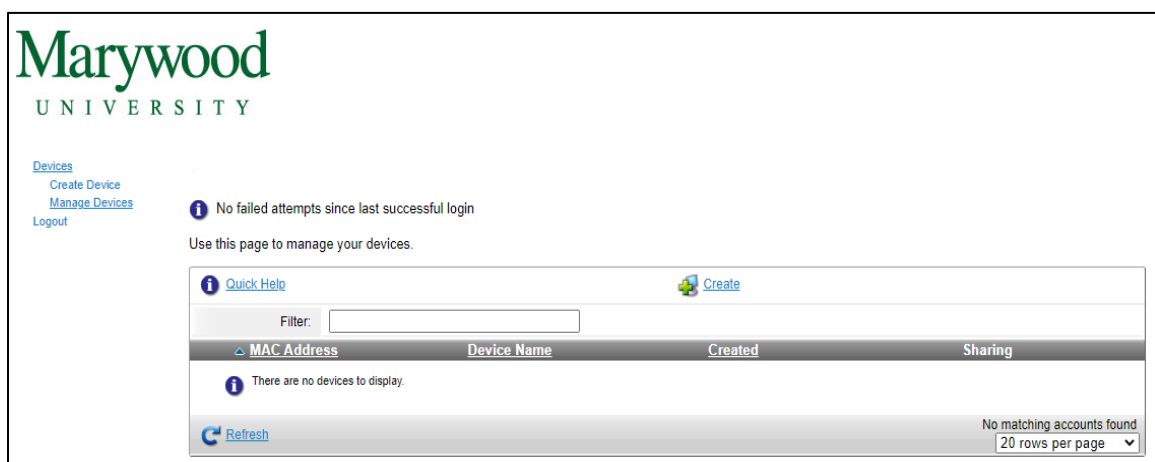

1. From your laptop/desktop computer go to the following link:

<https://cppm.marywood.edu/guest/>

The screenshot shows the Marywood University logo at the top. Below it, the text "Device Registration Login" is displayed. Underneath is a box titled "Operator Login" containing two input fields: "Username:" and "Password:". A "Log In" button is located at the bottom of the box.

2. Login with your Marywood credentials. This will be the same username and password you use for the MarywoodYOU Portal.
3. Click on 'Create' to add your device.

The screenshot shows the Marywood University logo at the top. Below it, the text "Device Management" is displayed. On the left, there are links: "Devices", "Create Device", "Manage Devices", and "Logout". In the center, there is a message: "No failed attempts since last successful login". Below this, it says "Use this page to manage your devices." On the right, there is a "Create" button. Below the message, there is a table with columns: "MAC Address", "Device Name", "Created", and "Sharing". The table is currently empty, and a message "There are no devices to display." is shown. At the bottom, there is a "Refresh" button and a dropdown menu showing "No matching accounts found" and "20 rows per page".

- Fill out the 'Create New Device' form with the information found on your device. Once completed click on 'Create'.

The screenshot shows the 'Create New Device' form in the Marywood Devices portal. The form is titled 'Create New Device (2)' and includes fields for MAC Address, Device Name, and Notes. A 'Terms of Use' checkbox is present, and a 'Create' button is at the bottom. A message at the top states 'No failed attempts since last successful login'. A table below the form shows no devices are currently displayed.

Create New Device (2)

* MAC Address:
MAC address of the device.

* Device Name:
Name of the device.

Notes:

* Terms of Use: ☐ I am the owner of this device and accept the [terms of use](#)

required field

Filter:

MAC Address	Device Name	Created	Sharing
There are no devices to display.			

No matching accounts found
20 rows per page

- Now from your registered device connect to the 'Marywood Devices' network. Enter the password you were provided the device registration portal.

The screenshot shows the 'Create New Device Receipt' page in the Marywood Devices portal. The page displays the details of the newly created device, including MAC Address, Account Status, Account Activation, Account Role, Registered By, Wi-Fi Password, AirGroup, and Ownership. A 'Print' button is available, and there are links to 'Create another device', 'Back to devices', 'Manage devices', and 'Back to main'.

The device was successfully created.
